

B&B Healthcare Thermal Wristband

B&B Healthcare Thermal Wristbands print in mere seconds through BAObI Printers. BAObI Printers use heat to activate a heat-sensitive thermal coating under the band's protective surface.

- ▶ One time use only.
- ▶ Economical, durable and waterproof.
- ▶ Constructed of strong, latex-free and non-irritating material.
- ▶ Accommodates texts, linear and 2D barcodes, photos and graphics.
